

# Offering List

## Farm Selection Microlots

Small batches of specialty coffee with traceability down to the individual farm. With scores of 85+ points, these coffees showcase distinct flavor profiles and refined characteristics, celebrating the dedication of each grower. Perfect for roasters looking to highlight the craftsmanship of a specific region and farm, these lots offer an elevated experience without the premium pricing of exotic varieties.

## Everyday Blends

The Everyday Blends category offers high-volume, quality consistent coffees that are reliable and accessible. These blends are crafted by combining lots from various farms within a specific region, ensuring an even and balanced cup profile. Ideal for roasters seeking steady supply with quality flavor profiles, they are perfect for daily use and reliable for consistent quality year-round.
